

A quiet morning

The sun shines through the open window.

A small bird sings in the quiet garden.

I sit by the window in the morning.

The sun shines through the open window.

A small bird sings in the quiet garden.

I sit by the window in the morning.

A small bird sings in the quiet garden.

I sit by the window in the morning.

Things on the desk

My notebook lies beside a blue pencil.

A clean sheet of paper is on the desk.

I move the lamp to make room to write.

A walk outside

A narrow path runs beside the tall trees.

The wind moves the leaves above us.

We stop by the gate to watch a bird.

Getting ready

I put a notebook and pencil in my bag

and check that I have all that I need.

Before I leave, I look around the room

and find my keys beside the open book.

and check that I have all that I need.

Making something simple

I fold a sheet of paper into a card

and press the edges flat with my hand.

I write a short message on the card

and leave some space for a drawing.

A small plan

Tomorrow I will take a walk in the park

and find a quiet place beneath a tree.

When I get home, I will write a note

about the things I saw along the way.

Tomorrow I will take a walk in the park

and find a quiet place beneath a tree.
